Notes On Initial and Continuing Claims: Regions Footprint

<u>Initial Claims</u>:

In the week ending July 9, a total of 69,460 people within the Regions footprint applied for Unemployment Insurance benefits, up from 62,400 people in the week ending July 2;

Nine of the in-footprint states saw increases in initial claims in the week ending July 9 while six states saw declines;

Nationally, 248,991 people applied for Unemployment Insurance benefits during the week ending July 16, up from 241,138 in the week ending July 9.

<u>Continuing Claims</u>:

As of the week ending July 2, a total of 351,269 people within the Regions footprint were receiving regular Unemployment Insurance benefits, down from 388,790 in the week ending June 25;
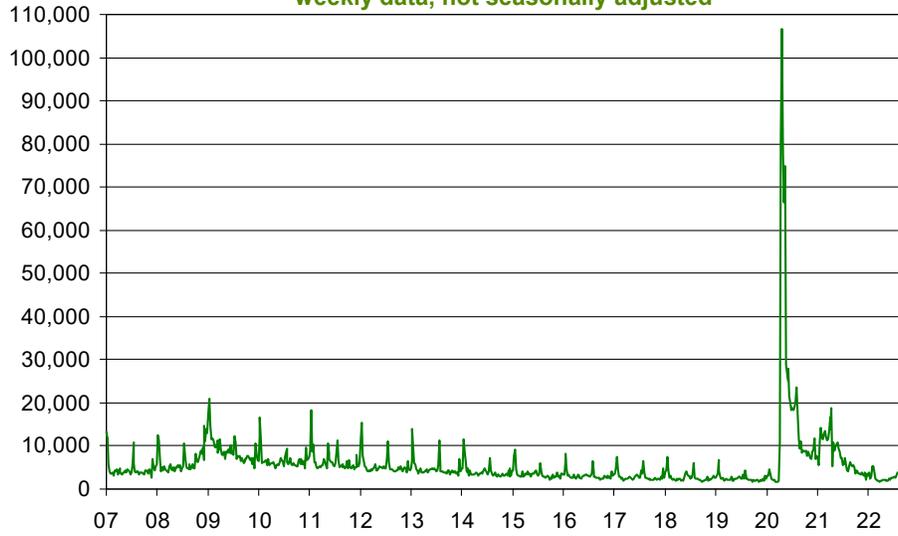

Seven of the in-footprint states saw increases in continuing claims in the week ending July 2 while eight states saw declines;

Nationally, 1,450,919 people were receiving regular Unemployment Insurance benefits as of the week ending July 9, up from 1,328,555 in the week ending July 2;

It should be noted that declines in continuing claims can reflect either people having exhausted their regular state-level benefits or having returned to work.
