

Imposter Scams:

6 Steps to Stop Criminals Cold

Technology allows fraudsters to spoof your bank's number in an attempt to gain personal info and access to your bank account.

Consider these suggestions to avoid becoming the latest victim:

Hang Up

Don't respond to voice commands.

Call Regions Bank
(1-800-REGIONS)
or come to a branch.

Don't push numbers on pad.

Send an email to
phishing@regions.com

Block the number immediately.

The information presented is general in nature and should not be considered, legal, accounting or tax advice. Regions reminds its customers that they should be vigilant about fraud and security and that they are responsible for taking action to protect their computer systems. Fraud prevention requires a continuous review of your policies and practices, as the threat evolves daily. There is no guarantee that all fraudulent transactions will be prevented or that related financial losses will not occur. Visit regions.com/STOPFRAUD or speak with your Banker for further information on how you can help prevent fraud.
